A Chamber Music Camp for Adult String Players

Emerald Isle String Haven is a string camp for adults who love playing string instruments and want to improve their individual technique as well as chamber music skills.

Fingerboard Geography

A great opportunity to venture into the uncharted regions of the fingerboard!

Technique Sessions

Topics will include vibrato, tone production, and the like. Another great opportunity to learn or fine tune your technique!

Chamber Music Rehearsals and Coachings

Apply what you have learned in your technique classes and make some music with other campers in duets, trios, or quartets!

String Orchestra Sessions

We will join forces with all the campers and faculty and work through some string orchestra literature!

Colombiere Retreat & Conference Center

Colombiere Retreat & Conference Center is situated 2 miles from downtown Clarkston, Michigan about halfway between Detroit and Flint off of I-75. The Center makes for a wonderful retreat from the daily distractions of life so you can focus on your skills as a string player.

There is a golf course located on the grounds of the Center. It is also located conveniently for shopping, there are two large outlet malls a short drive away, and you can enjoy dining with friends at many restaurants.
